IN RE: APPLICATION FOR AN ORDER) NO. SW

(UNDER SEAL)

O R D E R

This matter has come before the Court pursuant to an Application under Title 18, United States Code, Sections 3122 and 2703 by Mary L. Grad, an attorney of the United States Department of Justice. The Application requests an order requiring Nextel Communications to provide subscriber information and cell site information for the telephone identified by telephone number (209) 321-3402.

The Court finds that the applicant has provided specific articulable facts showing that there are reasonable grounds to believe that the information likely to be obtained by disclosure the requested information is relevant to a legitimate ongoing criminal investigation into possible violations of Title 21, United States Code, Section 846 and 841(a)(1), Conspiracy to Distribute a Controlled Substance.

The Court further finds that the government has made a

1 showing that there is reason to believe that notification or
2 disclosure by Nextel Communications and any other involved
3 telephone company, of the existence of the investigation, the
4 existence of the request for this information and other relevant
5 information will (1) endanger the life or safety of government
6 agents; (2) cause the subjects to flee to avoid prosecution; or
7 (3) seriously jeopardize the investigation in that the suspects
8 will stop using their telephones, begin using pay telephones, or
9 move their illegal operations elsewhere.

20 3123(b)(2), Nextel Communications shall furnish agents of the Drug
21 Enforcement Administration forthwith all information, and

24 government for reasonable expenses incurred in providing
